

Client Relationship Summary - August 2021

Gatsby Securities, Inc. (“Gatsby” or the “Firm”) is registered with the Securities and Exchange Commission (SEC) as a broker-dealer and is a member of the Financial Industry Regulatory Authority [FINRA \(www.finra.org\)](http://www.finra.org) and [SIPC \(www.sipc.org\)](http://www.sipc.org). Brokerage and investment advisory services and the fees associated differ from firm to firm, and it is important that you understand those differences. Free and simple tools are available to you to research firms and financial professionals at <https://www.investor.gov/CRS>, which also provides educational materials about broker-dealers and investment advisors.

What investment services and advice can you provide me?

Our brokerage services include the buying and selling of securities and investment products in retail cash and margin accounts, specifically options, equities and ETFs. If you open a brokerage account, you will not pay us a transaction based commissions for trading options or equities, other fees will apply. There is a \$5 minimum initial deposit size to open an account.

As a “self-directed” broker, we do not make securities recommendations, the ultimate decision regarding an investment strategy or the purchase or sale of an investment will be yours. Gatsby does not monitor its client investments.

Through our clearing firm we will provide you with your trade confirmations, account statements and trading history daily, quarterly or monthly as is appropriate. These documents are all available through the Gatsby App, and can be accessed whenever you wish to review them.

It is important to understand our products and services are limited as there are other account types and investment products which we do not offer that may benefit your portfolio. In addition, there could be other firms who offer the same or similar investment options or services for a lower cost.

QUESTIONS TO ASK YOUR PROFESSIONAL:

- Given my financial situation, should I choose a brokerage service? Why or why not?
- How will you choose investments to recommend to me?
- What is your relevant experience, including your licenses, education and other qualifications? What do these qualifications mean?

What fees will I pay?

When you transact in a brokerage account, you will not pay Gatsby a transaction-based commission. You will pay certain exchange and regulatory fees on your trades. These fees will generally vary between **\$.055 and \$.09 per contract**. You will also pay an LQT (“Liquidity”) fee of \$.05 per contract, which is partially used to offset the OCC (“Options Clearing Corporation”) fee.

You will pay fees and costs whether you make money or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying.

QUESTIONS TO ASK YOUR PROFESSIONAL:

- Can you help me understand how these fees and costs might affect my investments?

- If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?

What are your legal obligations to me when providing recommendations? How else does your firm make money and what conflicts of interest do you have?

We **do not** provide recommendations. Gatsby does not charge a commission to enter or execute orders. We make money via the following:

1. From other brokers paying us a fee when they execute our customers' orders. Because we get paid when you complete a transaction, we could have an incentive to encourage you to make larger investments and trade more frequently.
2. We receive a portion of the interest earned on uninvested cash and money market fund balances on deposit with our clearing agent. There may be an incentive for Gatsby to sweep client funds to Money Markets or to keep excess cash at Gatsby.
3. We receive a portion of the revenue generated from fully paid securities lent to other institutions. All Gatsby clients are initially enrolled in Apex's Fully Paid Securities Lending program and can opt out by contacting support@trygatsby.com. Apex Clearing is a clearing agent for Gatsby Securities LLC.
4. Margin interest: Gatsby receives a portion of the interest generated on margin loans issued against the holdings of your account. Gatsby receives the spread between the rate we pay on the money we lend and the rate you pay us.
5. Gatsby charges an LQT ("Liquidity") fee of \$.05 per contract, which is partially used to offset the OCC fee. Because we get paid when you complete a transaction, we could have an incentive to encourage you to make larger investments and trade more frequently.
6. Other fees and costs: For a full list of fees and costs, including those charged on transactions such as wires, reversed ACH deposits, regulatory, the LQT ("Liquidity") fee and others, please see the full fee schedule here.

QUESTIONS TO ASK YOUR PROFESSIONAL:

- How might your conflicts of interest affect me, and how will you address them?

How do your Financial Professionals make their money?

Our financial professionals are paid a salary, and potentially a bonus based on the Gatsby's overall results. Our financial professionals **do not** earn any incentive-based compensation tied to the trading or investments of our customers.

Do you or your Financial Professionals have legal or disciplinary history?

None of our Professionals have legal or disciplinary histories. Visit www.investor.gov/CRS for a free and simple search tool to research us and our financial professionals.

QUESTIONS TO ASK YOUR PROFESSIONAL:

- As a financial professional, do you have any disciplinary history? For what type of conduct?
