

Gatsby Data Disclosures

Overview

The Gatsby Data Disclosures document is intended to provide additional details regarding the content provided within the Gatsby platform. Gatsby Digital, Inc. is NOT a broker-dealer or investment advisor. Securities and investments are offered through ViewTrade Securities, Inc. This document shows some, but not all of the data presented within the Gatsby platform, and is for information purposes. Please contact support@trygatsby.com with questions.

Third party information posted to or presented on the Gatsby platform is not endorsed by Gatsby and should not be construed as investment advice, an offer or solicitation to purchase or sell any financial instrument. Gatsby does not endorse any third party content and it is expected that users vet third party information as to accuracy and completeness on their own. The information provided by third parties is not warranted as to completeness, timeliness or accuracy and is subject to change at any time, without notice. Gatsby reserves the right, at its sole discretion, to delete or edit any third party content posted within the platform. Any third party content posted on the platform does not reflect the views of Gatsby or any of their subsidiaries or affiliates. Any investment decision and/or strategy that is made is at your own discretion and risk. This is not an offer or solicitation in any jurisdiction where we are not authorized to do business.

System response, trade executions and account access may be affected by market conditions, system performance, quote delays and other factors. The risk of loss in electronic trading can be substantial. You should therefore consider whether such trading is suitable for you in light of your financial resources and circumstances.

OPRA Data

OPRA data is presented within the Gatsby platform for options pricing data. Users must carefully read, agree to, and fully understand the [OPRA Subscriber Agreement](#) prior to using the Gatsby platform. Users certify that they qualify as a non-professional as defined by OPRA, unless they have provided information to the contrary to support@trygatsby.com. For information regarding OPRA data along with disclaimers you must be familiar with and agree to in order to use the Gatsby platform, please see <https://www.opraplan.com/document-library>.

QuoteMedia

QuoteMedia is a technology company that delivers data to the Gatsby platform. They provide servers and resell data to us including options, equities and news data. For information on QuoteMedia along with disclaimers you must be familiar with and agree to in order to use the Gatsby platform, please see <https://www.quotemedia.com/legal/tos/>.

CBOE

Cboe is the provider of equities data presented within the Gatsby platform. For information on CBOE along with disclaimers you must be familiar with and agree to in order to use the Gatsby platform, please see <http://www.cboe.com/>.

News

News content within Gatsby is sourced from QuoteMedia and Benzinga, among others. Gatsby does not explicitly or implicitly endorse or approve such content, nor does Gatsby give investment advice, or advocate the purchase or sale of any security or investment. Gatsby and third party data service providers do not guarantee the accuracy and reliability of this information. Gatsby shall not bear any legal liability to the user for any loss or damages arising from information delay, error or omission of such data. For more information on these third party sources or their respective privacy policies, please refer to their respective websites.
