

Platform and Data Disclosures Overview

The Gatsby Platform Disclosures document is intended to provide additional details regarding the content and features provided within the Gatsby platform. Gatsby Digital, Inc. is not a broker-dealer or investment advisor. Securities and investments are offered through Gatsby Securities, LLC This document shows some, but not all of the content and features presented within the Gatsby platform, and is for information purposes. Please contact support@trygatsby.com with any questions.

Third party information posted to or presented on the Gatsby platform is not endorsed by Gatsby and should not be construed as investment advice, an offer or solicitation to purchase or sell any financial instrument. Gatsby does not endorse any third party content and it is expected that users vet third party information as to accuracy and completeness on their own. The information provided by third parties is not warranted as to completeness, timeliness or accuracy and is subject to change at any time, without notice. Gatsby reserves the right, at its sole discretion, to delete or edit any third party content posted within the platform. Any third party content posted on the platform does not reflect the views of Gatsby or any of their subsidiaries or affiliates. Any investment decision and/or strategy that is made is at your own discretion and risk. This is not an offer or solicitation in any jurisdiction where we are not authorized to do business. For the purposes of the above paragraph, Third Party Content includes any client information posted to the social feed of the platform, and any market data, news or other content/information provided within the Gatsby App, website, and content which was sourced from a party other than Gatsby or was derived from information provided by an outside party.

News Features

News data provided on the Gatsby platform is from a variety of sources, including but not limited to QuoteMedia, Benzinga, among others. Gatsby does not endorse any third party content posted on the platform and any news should be independently vetted as to accuracy, timeliness and completeness. News on the platform is presented for information purposes only. Third party information posted to or presented on the Gatsby platform is not endorsed by Gatsby and should not be construed as investment advice, an offer or solicitation to purchase or sell any financial instrument or security.

Social Features

Social Features on Gatsby allow the community to share information amongst themselves. Gatsby does not endorse any Social content posted on the platform and any Social Content should be independently vetted as to accuracy, timeliness and completeness. Social Content on the platform is presented for information purposes only. Third party information posted to or presented on the Gatsby platform is not endorsed by Gatsby and should not be construed as investment advice, an offer or solicitation to purchase or sell any financial instrument. Gatsby reserves the right, at its sole discretion, to delete or edit any third party content posted within the platform.

Trending Companies Feature

The Trending Companies feature shows currently trending stocks on the Gatsby platform. This is a computer generated list of most active platform stocks, as determined by the feature's algorithm. The intent of the list is simply to provide information to the user of what is occurring on the Gatsby platform. The Trending Companies features on the platform are presented for information purposes only and should not be construed as investment advice, an offer or solicitation to purchase or sell any financial instrument.
