

## Gatsby Digital Rewards Program

The Gatsby Rewards program (“Gatsby Rewards”) is an incentive program offered by Gatsby Digital, Inc. (“Gatsby Digital”), ViewTrade Securities, Inc. (“ViewTrade”) and their respective affiliates (collectively “Gatsby”). The program is designed to credit users who trade options on Gatsby with reward bonuses based on their trading volume. Gatsby Rewards will only be credited to users who have an approved trading account, and who meet all the below criteria. By participating in the Gatsby Rewards Program you hereby agreeing to these Terms and Conditions (“Terms and Conditions”). These Terms and Conditions are effective as of March 23rd, 2020.

- How it works: Users collect points by completing qualified options trades. Once the user has reached set thresholds of points, they will be able to redeem them for gift cards at select retailers.
- How it’s paid out: User clicks “redeem” next to the gift card of their choice, then they confirm their choice and receive an eGift card in the mail.
- When it’s paid out: Users can redeem gift cards as soon as they accrue enough points to reach each payout threshold.
- How much does someone need to trade to qualify? All trades qualify, however a user is not able to redeem for a gift card unless the minimum threshold is met. For each card redemption, each additional subsequent threshold must be met to qualify for another card.
- How Points per Trade are calculated: Rewards points are credited on a randomized basis. Users receive between 1 and 5 points for each contract traded. The payout may be adjusted at the discretion of Gatsby. A point is the equivalent of \$.01.
- The Gatsby Rewards program is solely a means of giving value back to loyal clients. Gatsby does not give any investment advice, and the Gatsby Rewards program should in no way be interpreted as such. All investments involve risk and past performance of a security does not guarantee future results or returns. While diversification may help spread risk, it does not guarantee a profit or protect you against loss in a down market. There is always a potential to lose money when investing in securities, and investors need to fully consider their investment objectives prior to investing. Gatsby Rewards should not be perceived as a recommendation to trade more or less frequently. Any investment decision and/or strategy that you make or utilize, whether or not such decision or strategy derives from or relies upon material accessed or provided through this website, is done so at your sole discretion and your own risk.
- Gatsby reserves the right to change or cancel the Gatsby Rewards offer at any point in time, without notice. Rewards may be withheld or refused by Gatsby at its discretion. Gatsby withholds the right to reverse any Gatsby Rewards bonuses paid out at its discretion.

- The bonus, when combined with all other offers or rewards, may not exceed \$500 per household per year. Before participating in the Gatsby Rewards program, please consult additional sources of information and/or your legal or tax advisor. Gatsby does not offer tax advice.
- You may not maintain multiple Gatsby Rewards accounts. If a client has multiple brokerage accounts, the accounts will be treated as if combined to determine the maximum Gatsby Rewards payout.
- These rewards are not transferable, saleable or valid in conjunction with other offers.
- The Gatsby Rewards program is only available to U.S. residents who have been approved to trade on Gatsby and have an open brokerage account through Gatsby. Employees, contractors, or persons similarly associated with Gatsby or a Gatsby affiliate; members of their household; and employees of any securities regulatory organization or exchange are not eligible.
- By participating in the Gatsby Rewards program, you are agreeing to these Terms and Conditions and are entering into an agreement with Gatsby.
- Options involve a high degree of risk and are not suitable for all investors as the special risks inherent to options trading may expose investors to potentially significant losses. Please read [Characteristics and Risks of Standardized Options](#) before deciding to invest in options.
- Securities and investments are offered through ViewTrade Securities, Inc., Members FINRA and SIPC. Gatsby Digital, Inc. is not a broker-dealer or investment advisor.
- Gatsby has the sole right to interpret and apply this Gatsby Rewards Terms and Conditions.
- The Gatsby Rewards program is provided “AS IS” and without warranties of any kind, either express or implied.
- If you have any questions, or if you would like to un-enroll in the program, contact [support@trygatsby.com](mailto:support@trygatsby.com). It may take up to 7 business days to remove you from the Gatsby Rewards program.
